T	31	Isaiah 12	

A DEDICATION

PRESIDENT L. W. GOEBEL

THE YEAR BOOK, at the first glance, appears to be no more than a volume filled largely with statistics and records. Nevertheless a careful study reveals that it is vibrant with

DR. L. W. GOEBEL

the story of our life and work as an Evangelical and Reformed Church. Here are recorded both notable achievements as well as failures. It will prove to be a profitable experience for all of our people to subject it to a very careful review.

This will prove of value especially if the reader will use the records and reports as a basis for an analysis of the measure of his own faithfulness to the Church.

However, it is not the sole purpose of the YEAR BOOK to permit us to examine past achievements or failures nor is it solely to be thought of as a handy reference book. Through it our attention is also directed to the future. The date on the cover is 1953. This will be an important year for our Church. On June 17-24 General Synod meets at Heidelberg College, Tiffin, Ohio. Matters of supreme importance to the life of our communion will come before this body. Even now we commend it to the prayers of our people.

Among the notable achievements of 1952 worthy of primary mention is the underwriting on the part of individuals and congregations of a National Missions Building Fund in excess of \$1,000,000.00. Through this fund the Board of National Missions will be enabled to meet more effectively the challenge given it by the General Synod of 1950. Special cause for rejoicing and thanksgiving is found in the fact that the successful issue of this undertaking can be ascribed chiefly to the service rendered by a large number of laymen and laywomen who contributed unstintingly of their time and effort to carry it forward. We have no doubt that congregations which have delayed their participation in this effort are planning to cooperate. In the assurance resulting from such faith in our members and churches,

the Board of National Missions has gone courageously forward in the establishment of new churches.

If it would appear that we have thus singled out one agency of our Church for special mention it is only because this effort engaged the attention of our Church in an exceptional manner. Through *The Messenger* as well as official reports our membership has been kept informed regarding the progress of our work as promoted by the various boards, commissions and other permanent agencies of the Church. In addition special committees will be prepared to submit reports to the General Synod of this year. At this meeting we hope to set our faces to the future with new confidence and faith.

It is of the very genius of the Evangelical and Reformed Church, however, that she is at no time concerned alone with her own program and growth. We know ourselves part of the ecumenical Church, the Church which has but one head even Jesus Christ our Lord, the Church which has but one mission—the evangelism of the whole world. It is for this reason that our Church is ever found actively participating in the life and work of the ecumenical Church whether it be on the local, national or world level. Even as we pray concerning the Church “that they may be one,” so we pray as we think of the world “Thy Kingdom come, Thy will be done on earth as it is in heaven.”

With great earnestness ought we offer this prayer for a day such as this. In a confused and bewildered world many millions have at last come to a deep realization that only as the lives of individuals are renewed, and as they are strengthened through spiritual power, can we have hope for our time. This is the hope which the Church has proclaimed in the past and which it needs proclaim in our day with new power, the power which only the Holy Spirit can give. All our planning and all our striving needs to be dedicated to the risen Lord who is the source of our faith. To Him and to His cause this edition of the YEAR BOOK shall be dedicated.

Ordinations

ORDINATION is the solemn rite by which the Church bestows upon candidates the full rights and privileges of Christian ministers. It is usually dependent upon a call from a charge. However, a Synod may, with the approval of the President of the Church, ordain applicants if in the judgment of the Board of Examiners the nature of their work justifies ordination.

Ordination is administered by a committee appointed by the president of the Synod of which the candidate is a member. While this committee may be composed of both clergy and laymen, only the ordained members may serve in the act of ordination.

The candidate, who must be at least twenty-one years of age, may be ordained in the congregation of which he is a member.

The following record includes all ordinations that were reported to the Secretary of the Church up to August 1, 1952. Despite the fact that in 1952 the number of Evangelical and Reformed graduates from our own and other seminaries was larger than usual, the number hereinafter listed is about the same as for the preceding year. This is probably an indication that quite a few ordinations had not been reported at the time the Year Book went to press.

Ministers are again reminded that the dates appearing in connection with their names in the Register of Ministers indicate the year of ORDINATION and not the year of GRADUATION from a seminary. In a number of instances these years are not identical.

STUDENTS FOR THE MINISTRY

One of the very important rubrics on the congregational statistical report blank is that which asks for the number of students for the ministry: first, those in our denominational schools, and second, those in other institutions. The summary as shown in the appended lists reveals that as of December 31, 1951, the total number was 671, with 471 and 200 in the respective groups. This total compares favorably with 582 in 1949 and with 618 in 1950. The leaders in our three seminaries give us the assurance that the trend will continue upward for a number of years.

The number graduated from our seminaries in 1952 was 63. The great majority of them entered upon pastorates immediately following their graduation. Six enlisted for full-time service in our foreign fields, while still others pledged themselves in other areas of full-time Christian service.

As of August 1, 1952, Rev. Hartland H. Helmich, who for the past few years has been representing us as the student pastor in the Philadelphia area, succeeded Rev. Charles W. Schwantes as the Director of Student Work, with offices on the second floor of the Schaff Building. Every effort will be exerted to continue the work on lofty levels under his leadership.

The list follows:

FORM FOR BEQUESTS

Persons desiring to remember the Church or any of its Boards, institutions or agencies in their last will and testament are encouraged and advised to secure the services of a lawyer or of some other qualified individual. This is advisable because of the variations in State laws governing bequests to religious and charitable agencies, especially with reference to the time that must elapse between the date of the will and the death of the testator. Otherwise, the intent of the testator may be defeated.

The greatest care should be exercised so that all bequests are made in the manner prescribed by law. Where several Boards or institutions are to be remembered, a separate paragraph beginning, "I give and bequeath," etc., should be made for each one. The following form for general bequests is suggested in the event that no lawyer

is available for counsel:—

"I hereby give and bequeath to the Evangelical and Reformed Church, of which Mr. F. A. Keck, St. Louis, Missouri, is the treasurer, for the use of (insert here the particular cause which it is desired shall receive the bequest, or if no preference is had this clause in the will may be omitted) the sum of Dollars, and the receipt of the Treasurer thereof shall be sufficient discharge for my Executor."

In designating the beneficiary of a bequest, it is of the utmost importance that the testator or his counsel use the official title of the administrative body, and the correct name and location of the Board, institution or agency to be remembered.

The corporate titles of our Church Boards, agencies and institutions may be found on pages 50 and 51 of this Year Book.

Deceased Ministers of the Church

Requiem

For all the saints who from their labors rest,
Who Thee by faith before the world confessed,
Thy Name, O Jesus, be forever blest.

Alleluia!

O blest communion, fellowship divine!
We feebly struggle, they in glory shine;
Yet all are one in Thee, for all are Thine.

Alleluia!

O may Thy soldiers, faithful, true and bold,
Fight as the saints who nobly fought of old;
And win with them the victor's crown of gold.

Alleluia!

For Those Bereaved

Father of love and mercy, the consolation of the sorrowful and the support of the weary, look down in tender love and pity upon those who have been bereft of loved ones. While they mourn, may they not murmur; but remembering all Thy mercies, Thy promises and Thy love in Christ, may resign themselves meekly into Thy hands, to be taught of Thee. Fill whatever feeling of loneliness they may have with a sense of Thy loving, abiding presence, that they may cleave more closely to Thee, who bringest life out of death, and who canst turn their grief into eternal joy; through Jesus Christ our Lord. *Amen.*

For God's Support

O Lord, support us all the day long of this troublous life
Until the shadows lengthen and the evening comes
And the busy world is hushed,
And the fever of life is over,
And our work is done.
Then of Thy great mercy grant us a safe lodging,
And a holy rest,
And peace at last.
Through Jesus Christ our Lord. *Amen.*

Statistics furnished by Dr. Carl J. Scherzer

Corporate Titles of the Boards and Institutions

Of the Evangelical and Reformed Church

HEREWITH are given the corporate or charter names, together with the headquarter addresses, of the Boards and institutions of the Evangelical and Reformed Church. This information has been secured direct from the executives of these agencies by Dr. John W. Mueller, Counselor of the Church, and the editor of the Year Book in response to numerous requests from persons who had need of it in connection with writing wills or drawing up other legal papers.

In every instance the words "of the Evangelical and Reformed Church" should be added to the title. In cases where Boards or institutions are familiarly known by a popular name instead of by the corporate title this popular name is shown in parentheses. The addresses given are those of the executive offices of the Boards and institutions listed.

Locations of Churches

The location of every congregation of the Church is listed. Where the street location is missing that information was not reported on the statistical blank.

The name of each congregation is exactly as reported by the pastor. It is presumed that this is as the congregation is designated in its charter. For example, we find Saint John, Saint Johns, and St. John's.

Please send notes of any errors immediately to W. S. Kerschner, Secretary, 1505 Race St., Philadelphia 2, Pa.

The surname and initials of the pastor appear after the name and address of each church. Reference to city, town, or state in the "Register of Ministers" will further establish identity. The title "Rev." and all degrees are omitted from this section.

Abbreviations: mi, miles; nr, near; N, north; E, east; S, south; W, west.

SYNODS OF THE EVANGELICAL AND REFORMED CHURCH

SYNODS IN PENNSYLVANIA

The Presidents OF THE THIRTY-FOUR SYNODS

“THE president of a Synod shall have been a member of the Synod for not less than three years and a minister of the Church for not less than five years. . . . The term of office for the officers of the Synod shall be two years. After two full terms of office the president and vice-president shall not be eligible to succeed themselves.” (By-Laws, Art. 5, Sec. 57.)

A study of the pictures of the Synod presidents shown on the following pages will reveal that only five faces appear there for the first time. This is in marked contrast with the record in 1951 when nineteen new presidents were chosen.

Nine Synods reelected their presidents at the 1952 spring meetings. Missouri Valley, Northeast Ohio, South Illinois and Southwest Ohio Synods elected new presidents. In September a new incumbent succeeded the president of the Philadelphia Synod who had resigned because of his election as Associate Secretary of the Commission on Evangelism and the consequent necessity of establishing his residence in Cleveland, Ohio.

All but one of the Synod presidents are busy pastors who, with God's help and the splendid cooperation of the other members of their Synodical Councils, are giving a good account of their stewardship.

Review of the 1951 Statistics

A STUDY of the statistical tabulation found on the following page will reveal much that is arresting and challenging. Under the two main headings is shown the breakdown of our Accessions and Losses in membership as revealed in the statistical reports received from 2,659 congregations.

The total accessions for the year were 47,800 as compared with 48,077 in 1950, and the total losses were 40,696 as compared with 38,010 the previous year. There were 292 congregations that did not report a single accession and 1,149 that reported no net accessions. In the Accessions area net gains are shown in the Confirmation and Reprofection columns, while under Losses the totals for Deaths and Erasures exceeded those of 1950. After a steady decrease in the total number of erasures in 1949 and 1950 the summary for 1951 shows an increase of 1,633. Reported erasures of from 200 to 300 in some congregations were not uncommon. Several years ago one synod went on record authorizing its Synodical Council to investigate cases in which unusually large numbers of erasures were reported. Other synods could well emulate this example. The supposition that some congregations report many erasures so as to insure for them a smaller benevolent apportionment loses point before the instance of one synod which regularly reports a relatively small number of erasures but which is the only synod that has paid its benevolent budget in full for the past eight years. This same synod is at the same time among those which are usually the most ready and willing to undertake the full program of the Church. Something in the divine order and economy so ordains.

The communicant membership as of December 31, 1951, was 743,070, representing a net gain of 7,104 for the year. Year after year an unfortunate discrepancy has been reflected in the net gain of members because of inaccuracies and variations in the congregational reports submitted. Some years this discrepancy was a thousand and more. This year every effort was exerted to reconcile these differences. Through the patience and persistence of members of the staff in the Secretary's office in writing hundreds of letters to pastors, synod presidents and congregational officers the discrepancy was reduced to twenty-five this year. Their faithful and untiring services in this matter are hereby gratefully acknowledged.

Based upon the reports received, the 1951 Sunday Church School enrollment increased from 468,149 to 476,748, or an increase of 8,599. The average attendance increased 3,896, from 281,510 to 285,406.

The total number of members communing at least once in 1951 was 622,414, which represents an increase of 5,095. It is quite apparent that in hundreds of congregations this record is not kept, for many pastors make no effort to report this item. Not infrequently, in fact, they offer the comment that they see no value in continuing this rubric. Shall we not agree that the regularity with which members avail themselves of this means of grace is an index to their spirituality, and that a faithful record of it should be kept?

In registering a net gain of 7,104 members for the year the following synods led in totals of from 396 to 930: Southeast Ohio, South Illinois, North Wisconsin, North Illinois and Missouri Valley. The following synods showed losses of from 11 to 199: Dakota, Pittsburgh, Susquehanna, West New York, Potomac and Southwest Ohio. In 1950 there were only two synods that reported net losses and in 1949, eight.

A brief but interesting survey of the educational background of our ministers was made in the Secretary's office late in 1951. Based upon the information on the biographical sketch cards submitted by the ministers themselves it was shown that 2,134 of our ministers had a college preparation and that 2,259 were graduated from a theological seminary, while only 12 attended neither college nor seminary.

Using the 1951 membership of 743,070 as the basis and the total contributions as reported to the Secretary's office, the figures show that the per capita giving for benevolence in 1951 was \$5.91 and for congregational purposes \$33.63, or a grand total of \$39.54. This record compares favorably with the relative figures of \$5.25, \$28.65 and \$33.90 for 1950 and \$5.64, \$27.70 and \$33.34 for 1949.

Introduction to the 1951 Statistical Tables

For the Year Ending December 31, 1951

GOD has been described as a "statistical God." System and orderliness are among His attributes just as surely as "righteousness and judgment are the habitations of His throne." In the miraculously preserved record of His dealings with groups in the Old and New Testaments "numbers" play an important part. Somehow we feel that in the annual gathering of our denominational statistics we have almost a direct counterpart of the "numbering of Israel" which is among the early records of His providence and will.

Well is it with us if we regard the preparation of the statistical reports as a privilege and duty and not as a burden grievous to be borne. Such we trust was the feeling in the 2,659 of our 2,740 congregations which submitted reports for 1951. Of the 87 not reporting 38 were from congregations from which no reports were expected, leaving only 49 that really failed to cooperate. This is the smallest number on record.

The following seventeen synods attained the coveted 100% goal in the order named: Mercersburg, South Wisconsin, Pacific Northwest, Magyar, Southern, Texas, Reading, Potomac, Lehigh, Susquehanna, Kansas City, Northeast Ohio, South Illinois, Lancaster, Philadelphia, East Pennsylvania and South Indiana. The first report received was that of Trinity Church, Hanover, Pa., January 4. The greatest number received on one day was 246 on February 4. The last one was received on May 19!!!. The total number received by February 1—the deadline—was 1,810, or 66%. The remaining reports received thereafter was 849, bringing the total up to 97%. Counting the 38 impossible ones, this is probably the best record in the history of the united church.

It will be noticed that the rubric "Urban or Rural" which had been omitted from the statistical reports for several years has been restored at the request of the Secretary for Town and Country Church. The key to the symbols from A to F indicating the population of the area to which every congregation ministers is indicated at the top of the next page. This is in keeping with the practice of a number of denominations, some of which even list the counties in which their churches are located.

A number of suggestions have been received from various sources as to how the congregational report blanks might be simplified. This show of interest is greatly appreciated, and the assurance is given that all such suggestions will receive due consideration. By the time this is read a special committee which was appointed to consider changes in the Parochial Report of a Congregation to the Synod will probably have reported to the proper source. The Secretary and the Committee on Statistics will welcome any and all suggestions having to do with this phase of their duties.

After another year of experience in securing and tabulating the statistics the conviction is stronger than ever before that in hundreds of congregations the records are not kept as faithfully as they should be. For this reason the following paragraph taken from this page in the 1952 Year Book is repeated. It is within the province and power of every Synodical Council to make a periodic inspection of the records of every congregation in the synod. If this were carried out cooperatively and sympathetically, not only would the number of non-reporting congregations be reduced to a minimum, but there would also be many good by-products in other areas.

EXPLANATION OF SYMBOLS

The asterisk (*) designates congregations which are affiliated, and not in full membership with the Evangelical and Reformed Church. The symbol # indicates that congregations so marked returned no report for 1951, and that the statistics used are those of a previous year, in cases where they are available.

These congregational statistics went to press early in July. Therefore, many of the pastors whose names appear are not the present incumbents. A more accurate and complete listing appears in the Rosters of the Synods.

Code for the first column: A indicates that the church is located in a unit of an area with a population of over 100,000; B, between 25,000 and 100,000; C, between 10,000 and 25,000; D, between 2,500 and 10,000; E, between 500 and 2,500; F, under 500, and in the open country.

The Good Samaritan Home for the Aged

(Good Samaritan Hospital, Inc.)

4500 Washington Blvd., St. Louis 8, Mo.

REV. FRED J. LANGHORST, Supt.

The Good Samaritan Home for the Aged was founded in 1856, and has now enjoyed 96 years of Christian service, first as a hospital and since 1905 as a Home for the aged. The service here rendered is made possible through the loyal support and the liberal gifts from many friends. The continued love-gifts will assure the future of our Home. We therefore confidently solicit your abiding love and prayers.

Speaking of Inflation...

Everyone is doing it, and some are worrying over what it will do to insurance plans.

At such a time as this it is good to remember that the cost of a policy with the Fund has not been raised since 1948. This makes our contracts the best value that money can buy. Rates still remain the lowest of any company in the land.

As for the future, whatever questions arise, the soundest advice is to put money in savings. A Fund policy can be considered as a means of protection and a program of savings.

BETHANY ORPHANS' HOME

Womelsdorf, Pennsylvania

Rev. R. S. Vandevere, *Superintendent*

Bethany children are happy and contented. Contentment follows perfect coordination of child aspirations and manager's sympathetic understanding.

Bethany is proud of and grateful for its beautiful and healthful natural setting. But we are far more proud when we can boast of a staff of employees who can make our children truly happy in their adopted Home. When our children rejoice in the life experiences of Bethany then are we confident that we are attaining the acme of administrative ideals.

We are grateful to the members of our Evangelical and Reformed Church for the splendid support they have rendered our Home. Bethany needs and appreciates the prayers and goodwill of our many friends.

In your daily walk, enlist a new friend for Bethany.

"Modern Craftsmanship of An
Ancient Art"

The Emmaus Homes at Marthasville and St. Charles, Missouri, offer a gateway to a separate world for the mentally deficient, chronic epileptic and mental seniles. Each of these institutions has become a haven of refuge fostering cooperative living among the mentally handicapped. They are established as small communities so that those so handicapped might find what may be withheld from them in average society. They are like little worlds adapted to the needs of those who will not respond to any restorative treatments or who have never had the powers or abilities which are the heritage of the average person. Personnel for these locations is recruited primarily from the churches. Join us in this great work of mercy. Send your gifts or offer yourself. Openings now for Christian attendants, men and women. Write to the superintendents about opportunities in Christian home-making among non-violent mental deficient or epileptic.

RECRUIT DEACONESSSES

TYPICAL OF THE DEACONESSSES WHO SERVE THE HOSPITAL are these three. In the center is Sister Magdalene Gerhold who was Sister Superior from 1897 until 1931 and is now completing 60 years of service. At left is Sister Marilou Mitchell who recently went to Ecuador as a medical missionary and on the right is Sister Rosadel Albert in medical missionary service in Honduras.

“To the Glory of God”

Interesting and important opportunities exist for unmarried women between the ages of 18 and 35 to become Deaconesses to serve in our Church institutions and in various fields of home and foreign missionary endeavors. The service offers a satisfying and useful career and old-age security in the work of the Master.

An earnest effort is being made to interest prospective Deaconesses. Your constant aid is solicited in bringing to our attention likely candidates. We are anxious, too, for opportunities to present the work in your Church or at regional meetings. Won't you try to think of ways in which you can co-operate in our prayerful desire to broaden our ministry.

YOU BE THE JUDGE— Which is your best buy in bells?

	a	b	c
	25 Schulmerich "Carillonic Bells"	25 Average Cast Bells	25 Small Cast Bells
WEIGHT	200 Pounds	73,000 Pounds	2,000 Pounds
SCALE	LOW BELL—G below Middle C HIGH BELL— G 2nd Octave above Middle C	LOW BELL—G below Middle C HIGH BELL—G 2nd Octave above Middle C	LOW BELL— F 2nd Octave above Middle C HIGH BELL— F 4th Octave above Middle C
RANGE	Adequate Acoustic Range	Adequate Acoustic Range	Inadequate Acoustic Range
INSTALLATION	Requires No Tower	Requires Massive Tower	Requires Tower
COST	Under \$2,000.	Approximately \$117,000.	Approximately \$5,000.

The comparison above shows carillons A and B offer 25 bells of comparable musical quality, above and below Middle C. Carillon B is priced many thousands of dollars above "Carillonic Bells" because adequate cast bell carillons must include low-bells weighing thousands of pounds each.

Cast carillons of the C-type have 25 bells, but note that their musical scale is all *above* Middle

C (high bells mean small bells). Prove this for yourself. Play the melody of a familiar hymn on your piano using the keyboard ranges shown on the chart above. You'll understand why it takes "Carillonic Bells" or *heavy* cast bells to produce balanced bell music.

You'll decide your best buy is "Carillonic Bells" for fine carillon music at lowest cost. For more information write—
